

# UH48/UH48 SE Datasheet

Yealink UH48/UH48 SE is a high-quality wired headset with ANC (Active Noise Cancellation) functionality. It is suitable for various office environments and offers a more immersive work experience.

Four-Microphone  
Noise Cancellation

Brilliant Audio  
Performance

Flexible and Fast  
Plug-and-Play

All-Day-Wearing  
Comfort

Hybrid ANC

Unified  
Communications

UH48

UH48 SE

## Four-Microphone Noise Cancellation

UH48/UH48 SE incorporates Yealink's acoustic shield 3.0 technology, utilizing four built-in microphones to block background noise and ensure clear communication automatically.

## Hybrid ANC

Four noise-canceling mics and ear-fitting designs eliminate ambient noise and help users focus on their work. Additionally, the headset offers two levels of ANC depth, allowing users to quickly switch by pressing the **ANC** button according to their environment and personal needs, providing a more immersive work experience.

## All-Day-Wearing Comfort

Based on extensive research and analysis to meet the highest ergonomic standards, the UH48/UH48 SE has undergone hundreds of head shape evaluations and thousands of comfort tests to ensure optimal stability and comfort for long-term wear. Additionally, the materials used in the headset guarantee its durability and robustness.

## Brilliant Audio Performance

The UH48/UH48 SE features speakers with bio-composite diaphragms, delivering detailed and rich sound quality. Paired with personalized EQ settings, it caters excellently to both work and entertainment needs.

## Flexible and Fast Plug-and-Play

Simply use USB-C with a USB-A adapter for flexible plug-and-play. The product is compatible with mainstream phones and PC devices on the market, enabling users to get into their work quickly.

## Unified Communications (UC)

Microsoft Teams-certified and UC variants for seamless collaboration. Compatible with 100+ platforms and operating systems for effortless connectivity.

## Specifications

| Specifications             | Introduction                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
