

SE800 External Solid State Drive

# AN EVOLUTION IN SPEED

## SE800 External Solid State Drive

The SE800 external hard drive is designed for ultimate mobility with its compact and lightweight form factor. What's more, it also looks great too, with its exquisite hairline-brushed surface. But more importantly are its performance and durability features, namely waterproofing, dust-proofing, and shock resistance, as well as blazing read/write speeds of up to 1000MB/s.

### Faster Read/Write

Utilizing the USB 3.2 Gen 2 interface, the SE800 can hit read/write speeds of up to 1000 MB/s, making data transfers fast and furious. Cut down on the wait with the SE800. It can transfer files up to 12.5 times faster than an external HDD. Now that's a big jump in performance! Transferring a 50GB 4K movie can be done in as little as 50 seconds!

### USB-C - It's Always the Right Way

Thankfully the SE800 sports a USB-C (Type C) connector, which is reversible. There's no annoying up or down like with traditional USB. No guessing, plug in the first time. Every time!

## One Tough Cookie

We make sure the SE800 passes strict IEC IP68 standards. That means complete dust resistance and normal operation even after 30 minutes in 1.5m of water. So don't worry and get going - your data is safe. Beyond resisting dust and spills, the SE800 also meets the MIL-STD-810G 516.6 impact resistance standard so it can survive accidental drops and shocks with ease.

## Features

- Read/write speed up to 1,000 MB/s
- Fast USB 3.2 Gen 2 with Type-C
- Tough-IP68 dustproof and waterproof
- Military-Grade shockproof
- Supports Windows, Mac OS, Android, Xbox one, PS4 consoles
- Portable slim and light design

## Specifications

- Capacity: 512GB / 1TB
- Color: Blue / Black
- Dimensions (L x W x H):  
72.7 x 44 x 12.2 mm / 2.8 x 1.7 x 0.4 inch
- Weight: 40g / 1.4oz
- Interface: USB 3.2 Gen 2 Type-C (USB 10Gbps)  
(backward compatible with USB 2.0)
- System requirements:  
Windows 8/8.1/10, Mac OS X 10.6 or later,  
Linux Kernel 2.6 or later,  
Android 5.0 or later with no device driver needed
- Warranty: Limited 3-year

## Share and Enjoy Across Platforms

Plug n play with Windows, Mac OS, and Android means you can move content between devices without limitations. Whether for work or enjoyment, the SE800 empowers you with simple connectivity.
